With the caliber of golf, breathtaking surroundings and world-class hospitality for which Pebble Beach is renowned, the demand for entertainment and hospitality venues at the 2027 U.S. Open Championship is expected to far exceed what can be accommodated. This is a rare opportunity to enjoy all that Pebble Beach Resorts has to offer, while witnessing the game's greatest players on golf's grandest stage as they vie for the most coveted title in golf — U.S. Open Champion. **Now is the time to secure your place in history — don't miss your chance.**

Exceptional Past Champions

HISTORY IN THE MAKING

Pebble Beach Golf Links made history in 1972 when it became the first golf course accessible to the public to host a U.S. Open Championship. The event has returned every decade thereafter, and this special tradition continues in 2027.

Each U.S. Open Champion at Pebble Beach can be counted among the greatest golfers of their time, marking a major golf milestone during each Championship. When the U.S. Open tees off in June 2027, the world will watch history unfold as a new champion is crowned, and hoists the coveted U.S. Open trophy.

2027

Will 2019 Champion, Gary Woodland, defend his title on the grounds that saw him win his first major Championship, or will contenders like Scottie Scheffler, Rory McIlroy, Collin Morikawa, Jordan Spieth, Justin Thomas, or Xander Schauffele raise the trophy on the 18th green on Championship Sunday? Don't miss your opportunity to be a part of sporting history at Pebble Beach.

"If I had only one more round to play, I would choose to play it at Pebble Beach. I've loved this course from the first time I saw it. It's possibly the best in the world."

— JACK NICKLAUS, 18-TIME MAJOR CHAMPION

1972 Nicklaus

In a field that included past champions Arnold Palmer, Billy Casper, Lee Trevino and Gary Player, it was Jack Nicklaus who edged Bruce Crampton by three strokes to capture his third U.S. Open title.

1982 Watson

Tom Watson topped Jack Nicklaus by two shots to win his only U.S. Open, and created one of the most dramatic moments in U.S. Open history: a chip-in on the par-3 17th hole from deep rough, which helped him secure the championship.

1992 Kite

Tom Kite was considered the best player to never win a major when he broke his streak at Pebble Beach in grueling conditions for a two-stroke victory over Jeff Sluman. Conditions were so difficult, Jack Nicklaus and Tom Watson both missed the cut.

2000 Woods

During the 100th U.S. Open, Tiger Woods dominated the field, going wire-to-wire to finish at 12-under-par 272. Not only did Woods set the record for the lowest winning score during a U.S. Open, his 15-stroke margin of victory over runners-up Miguel Angel Jimenez and Ernie Els remains the largest in major championship history.

2010 McDowell

Northern Ireland's Graeme McDowell made history when he became the first European player to win the U.S. Open in 40 years, thanks to his dramatic final putt victory over runner-up Gregory Havret of France.

2019 Woodland

Gary Woodland held off Brooks Koepka's bold bid at history and made U.S. Open memories of his own on Sunday with two clutch shots and a 30-foot birdie putt on the final hole. It was his first major Championship victory and his 2-under 69 on Sunday earned him the lowest 72-hole score in six U.S. Opens at Pebble Beach.

Your Opportunity to Play

To many, playing golf at Pebble Beach Resorts is a once-in-a-lifetime experience. The famed courses offer a distinct variety of world-class golf — Pebble Beach Golf Links, Spyglass Hill Golf Course, The Links at Spanish Bay and Del Monte Golf Course. Each is identified by a championship pedigree, playing host to the world's greatest players in many of the game's greatest professional and amateur tournaments.

During U.S. Open week, watch the game's best players tee it up at Pebble Beach, then tee it up yourself at Spyglass Hill, Spanish Bay and Del Monte to create your own championship memories. Hospitality hosts have the option to reserve tee times for their guests as soon as they confirm with a letter of intent and can incorporate these golf courses into their guests' itineraries to deliver a uniquely memorable U.S. Open experience at Pebble Beach.

Spyglass Hill Golf Course

Distractingly beautiful with its ocean and forest views, Spyglass Hill Golf Course is rated one of the toughest courses in the world from the Championship tees, boasting a Course Rating of 75.5 and a Slope Rating of 144.

The Links at Spanish Bay

Be among the first to play the newly renovated Links at Spanish Bay, reopening just in time for Championship Week. The Gil Hanse-designed course will be a must-play for your guests.

Del Monte Golf Course

The oldest golf course in continuous operation west of the Mississippi River, Del Monte is an institution in classic golf design with its meandering layout and wide fairways lined with oak, pine and cypress trees.
